Linda Vista Skateboard Park

Features of the Skateboard Park

The Linda Vista Skateboard Park open January 2018 and is part of the Linda Vista Community Park. The park is currently the largest skate park in the San Diego Parks and Recreation system. Besides the elements, there are several bowls, a full pipe, a street course, lights and a bridge. The bridge is not only a focal point of the park, it also serves as a view point to watch the skaters. Other non-skating features include shade structures and sitting/observation areas

History of the Skateboard Park

In 2013, a group of concerned citizens began a signature campaign to build a skateboard park in the community and this marked the beginning of the Friends of the Linda Vista Skateboard Park.
